6 24 a listing of all persons or companies furnishing labor or
6 25 materials who have posted a lien or who may post a lien upon

20 2 Sec. 27. EFFECTIVE DATE AND APPLICABILITY.

20 3 1. This Act takes effect July 1, 2012.

20 4 2. Mechanic's liens filed prior to the effective date of
20 5 this Act shall remain with the clerk of the district court of
20 6 the county in which the building, land, or improvement charged
20 7 with the lien is situated.

20 8 3. The notice provisions contained in this Act apply only
20 9 to material furnished or labor performed after the effective
20 10 date of this Act.

20 11 EXPLANATION

20 12 This bill relates to mechanics' liens including the
20 13 establishment of a state construction registry and provides an
20 14 effective date.

20 15 The bill changes all references to "principal contractor"
20 16 and "contractor" to "general contractor", defined in the
20 17 bill to mean a person who does work or furnishes materials
20 18 by contract, express or implied, with an owner. "General
20 19 contractor" does not include a person who does work or
20 20 furnishes materials on contract with an owner=builder.

20 21 The bill defines "owner=builder" as the legal or equitable
20 22 titleholder of record who furnishes material or performs
20 23 labor upon a building, erection, or other improvement, or who
20 24 contracts with a subcontractor to furnish material or perform
20 25 labor upon a building, erection, or other improvement and
20 26 who offers or intends to offer to sell the owner=builder's
20 27 property without occupying or using the structures, properties,
20 28 developments, or improvements for more than one year from the
20 29 date the structure, property, development, or improvement
20 30 is substantially completed or abandoned. The bill extends
20 31 provisions currently in the Code for general contractors to
20 32 owner=builders. These provisions relate to perfecting a lien,
20 33 the acknowledgment of a lien that has been satisfied by payment
20 34 of a claim, actions by subcontractors or owners to recover
20 35 amounts due, and certain notification requirements.

21 1 The bill provides for the perfection of a mechanic's lien
21 2 by posting a verified statement of account to the state
21 3 construction registry internet website maintained by the
21 4 administrator of the registry (the secretary of state),
21 5 rather than by filing such statement with the district court.
21 6 The bill provides that a person who intends to perfect a
21 7 mechanic's lien shall include the address of the property or a
21 8 description of the location of the property and the tax parcel
21 9 identification number in the person's verified statement.
21 10 The bill provides that a general contractor who has
21 11 contracted or will contract with a subcontractor to provide
21 12 labor or furnish material for the property shall provide the
21 13 owner with an owner notice stating that persons or companies
21 14 furnishing labor or materials for the improvement of real
21 15 property may enforce a lien upon the improved property if they
21 16 are not paid, even if the parties have no direct contractual
21 17 relationship with the owner. The notice shall also provide
21 18 information relating to the availability of information posted
21 19 on the state construction registry established by the bill.
21 20 A general contractor who fails to provide such notice to
21 21 the owner is not entitled to a mechanic's lien and remedies
21 22 pursuant to Code chapter 572.
21 23 The bill provides that a general contractor or owner=builder
21 24 who has contracted or will contract with a subcontractor to
21 25 provide labor or furnish material for the property shall post
21 26 a notice of commencement of work, including certain specific
21 27 information, to the state construction registry internet
21 28 website.
21 29 The bill requires a subcontractor to post a preliminary
21 30 notice, including certain specific information, to the state
21 31 construction registry internet website. A preliminary notice
21 32 posted before the balance due is paid to the general contractor
21 33 or owner=builder by the owner is effective as to all labor,
21 34 service, equipment, or material furnished to the property
21 35 subsequent to the posting of the notice of commencement of

22 1 work. A subcontractor who fails to post a preliminary notice
22 2 shall not be entitled to a lien and remedy provided under Code
22 3 chapter 572.

22 4 The bill provides that the provisions relating to the
22 5 requirement that a general contractor and a subcontractor
22 6 post notices to the state construction registry apply only to
22 7 residential construction properties.

22 8 The bill provides that payment to the general contractor or
22 9 owner=builder by the owner of any part or all of the contract
22 10 price of the building or improvement within 90 days after the
22 11 date on which the last of the materials was furnished or the
22 12 last of the labor was performed by a subcontractor, does not
22 13 relieve the owner from liability to the subcontractor for the
22 14 full value of any material furnished or labor performed upon
22 15 the building, land, or improvement if the subcontractor files
22 16 a lien within 90 days after the date on which the last of the
22 17 materials was furnished or the last of the labor was performed.

22 18 The bill provides for the creation of a state construction
22 19 registry for residential construction property for the
22 20 posting of notices by general contractors, owner=builders, and
22 21 subcontractors which such persons must post in order to protect
22 22 their lien rights. The state construction registry, once
22 23 created, shall be a publicly accessible centralized electronic
22 24 database created and maintained by the administrator. The
22 25 administrator shall adopt rules pursuant to Code chapter 17A
22 26 for the creation and administration of the registry. The
22 27 registry provides a centralized resource of all persons or
22 28 companies furnishing labor or materials who may file a lien
22 29 upon the improved property. Data collected by and furnished to
22 30 the administrator in conjunction with the posting of notices to
22 31 the state construction registry internet website shall be used
22 32 by the administrator for the purposes of the registry.

22 33 The bill eliminates the requirement that the clerk of court
22 34 make an abstract of a claim for a mechanic's lien and requires
22 35 the administrator to record the date and hour of filing of a

23 4 district court of the county in which the building, land, or

1 7 a. The high quality job creation program administered
1 8 pursuant to sections 15.326 through 15.336.
1 9 b. The film, television, and video project promotion program
1 10 administered pursuant to sections 15.391 through 15.393.
1 11 c. The corporate tax research credit under the quality jobs
1 12 enterprise zone program pursuant to section 15A.9, subsection

1 17 pursuant to section 422.11E and section 422.33, subsection 9.
1 18 f. The tax credits for investments in qualifying businesses
1 19 and community-based seed capital funds issued by the capital
1 20 investment board pursuant to section 15E.43. In allocating
1 21 tax credits pursuant to this subsection, the department shall
1 22 allocate at least two million dollars for purposes of this
1 23 paragraph.
1 24 Sec. 2. Section 15E.43, subsection 4, Code 2011, is amended
1 25 by striking the subsection and inserting in lieu thereof the
1 26 following:
1 27 4. The board shall not issue tax credits under this section
1 28 in excess of the amount approved by the department for any one

1 31 Code 2011, are amended to read as follows:

2 1 e. The business shall not have a net worth that exceeds ~~ten~~
2 2 five million dollars.

2 3 Sec. 4. RETROACTIVE APPLICABILITY. This Act applies
2 4 retroactively to January 1, 2011, for tax years beginning on
2 5 or after that date.

2 6 EXPLANATION

2 7 This bill makes changes to the administration of the tax
2 8 credits available for investments in qualifying businesses and
2 9 community-based seed capital funds.

2 10 Current law limits the maximum aggregate amount of such tax
2 11 credits that may be issued to a total of \$10 million. The
2 12 bill eliminates the existing limitation, places the credits
2 13 under the department of economic development's annual aggregate
2 14 tax credit limitation in Code section 15.119, and directs the
2 15 department to allocate at least \$2 million of that limit for
2 16 purposes of such credits.

2 17 The bill also changes the eligibility of certain qualifying
2 18 businesses. Currently, to be eligible for the tax credits, a
2 19 business must not be engaged primarily in "other professional
2 20 services" and must not have a net worth in excess of \$10
2 21 million. The bill requires instead that a business not
2 22 be engaged primarily in "other services that require a
2 23 professional license" and reduces the net worth ceiling to \$5
2 24 million.

2 25 The bill applies retroactively to January 1, 2011, for tax
2 26 years beginning on or after that date.

6 2 considered a taxpayer-funded organization.

6 3 Each board that pays membership dues must annually report
6 4 the local community and to the department of education the
6 5 amount the board pays in annual dues to the organization and
6 6 the amount of any fees paid, and revenue or dividend payments
6 7 received, for services received from the organization, and
6 8 the products or services received due to membership in the
6 9 organization. The bill requires that the information be
6 10 submitted to the department electronically in the format
6 11 specified by the department.

6 12 The financial condition and transactions of the
6 13 organizations shall be audited in the same manner as school
6 14 districts. Under the bill, the organization must establish
6 15 an audit committee to review the financial condition and

7 2 The bill prohibits the head of the organization from
7 3 requiring an employee to inform the person that the employee
7 4 disclosed information, and prohibits the person taking adverse
7 5 employment action against an employee of the organization
7 6 who discloses information about the organization to a board
7 7 member, any public official, a law enforcement agency, a state
7 8 agency, the auditor of state or an auditor conducting an
7 9 examination in accordance with Code section 11.6, the office
7 10 of the attorney general, the office of citizens' aide, or to a
7 11 committee of the general assembly if the employee reasonably
7 12 believes the information evidences a violation of law or rule,
7 13 mismanagement, a gross abuse of funds, an abuse of authority,
7 14 or a substantial or specific danger to public health or safety.
7 15 The provisions do not apply if the disclosure of information is
7 16 prohibited by statute. A person who violates the prohibitions
7 17 commits a simple misdemeanor and may be liable to an aggrieved
7 18 employee for affirmative relief. The prohibition against
7 19 adverse action may be enforced through a civil action, and
7 20 the employee may bring an action for injunctive relief by

7 22 declining to participate in contributions or donations is also
7 23 prohibited. The person and the organization must provide
7 24 employee notification procedures relating to these prohibitions
7 25 and remedies and must conduct related promotional campaigns.
7 26 The organization's governing boards meetings are subject to
7 27 Code chapter 21 and the governing board and the organization's
7 28 records must be maintained in compliance with Code chapter 22.
